

I am writing to let you know of ISSX's Career Placement Service, which we offer in conjunction with meetings. The service connects meeting attendees with new employment opportunities and assists employers in seeking top talent. ISSX charges a \$75 USD fee per posting; this revenue supports the meeting. Benefits of purchasing a job posting include:

- Space on bulletin boards at the 19th North American ISSX / 29th JSSX Meeting;
- Pre-meeting employment advertising on the ISSX website;
- Coupon for 20% off post-meeting online [Career Center](#) postings.

Please feel free to pass this information along to any Japanese companies who may wish to participate in the Career Placement Service at the 19th North American ISSX Meeting / 29th JSSX Meeting. Interested parties may visit www.issx.org/2014Careers to purchase a posting. If you, or anyone interested in the service, have any questions, please do not hesitate to contact me directly at slangan@issx.org or +1 (202) 367-1160.

Best regards,

~Sarah
